21 Civ. 9194 (AT)

**ORDER**

The Court intends to proceed under a master scheduling order for the cases stemming from the losses on the M/V ONE APUS. However, this will occur once the Defendants in each case are given an opportunity to appear and motions for default, if appropriate, are filed. By **January 3, 2022**, the parties in this case shall file a joint letter containing: (1) a brief description of the case, including the factual and legal bases for the claim(s) and defense(s), (2) a brief description of any contemplated motions, (3) a statement informing the Court if a jury trial is being requested and the anticipated length of any trial, and (4) a statement informing the Court the prospect for settlement, including which form of alternative dispute resolution the parties wish to engage in and when. The deadline to file a case management plan is ADJOURNED *sine die*.

SO ORDERED.
